Message From President & Hon. Secretary

Dear Respected Members,

The past month has truly reflected the spirit of IMA Ahmedabad — dynamic, compassionate, and progressive. Guided by our theme “Beyond the Scope of Scalpel and Stethoscope,” we have moved beyond routine professional boundaries to create impact across academics, service, remembrance, community bonding, and wellness.

Our academic commitment was reaffirmed through the successful “Thyroid Update” CME, where nearly 100 doctors participated in insightful scientific deliberations. Continuous learning remains the backbone of better patient care.

We proudly celebrated Republic Day 2026 with flag unfurling at AMA Hall, reaffirming our dedication to the Constitution and ethical medical practice.

Our responsibility toward society was demonstrated through impactful CPR training initiatives at SVPI Airport and A.G. High School — equipping both frontline personnel and young students with life-saving skills.

On COVID Martyrs Day, we solemnly honored our colleagues who made the ultimate sacrifice during the pandemic. The candle prayer meeting was a powerful reminder of the courage and commitment that define our profession.

Through our rural outreach initiative “Aao Gaon Chale,” more than 250 villagers at Aslali received free multi-specialty consultations — strengthening the bridge between urban expertise and rural healthcare needs.

On World Cancer Day, “The Golden Voice – Celebrating Life After Cancer” transformed survivors into performers and inspiration into celebration — proving that healing goes beyond treatment.

And yes — beyond conferences and camps, we also believe in connection and camaraderie. Our fellowship picnic to Dasada strengthened friendships and the human side of our fraternity.

Looking Ahead – Energy, Enthusiasm & Expansion

The coming weeks reflect the expanding horizon of IMA Ahmedabad:

- **AMA Cricket Tournament (From 28th February 2026)**

The response has been overwhelming — with more than 25 teams registered, including two women's teams. This is not merely a sports event; it is a

celebration of fitness, teamwork, and fraternity among doctors.

- **AMACON 2026 – 12th April 2026**

Our Annual Conference is already generating tremendous enthusiasm, with over 200 members registered. AMACON promises academic excellence, innovation, and networking at its best.

- **International Tour to Bali – 26th April 2026**

Expanding horizons beyond borders, our international fellowship tour reflects bonding, global exposure, and work–life balance for our members.

Each initiative — whether academic, social, sporting, or cultural — embodies our belief that the role of a doctor extends far beyond clinics and operation theatres.

We heal - We serve - We remember - We celebrate - We connect
Together, we are truly moving beyond the scope of scalpel and stethoscope.

Jai AMA - Jai IMA

With gratitude and pride,

Dr. Jignesh Shah
President, AMA

Dr. Maulik Seth
